DETAILED ACTION

Allowable Subject Matter

Claims 1-2, 4-11, and 13-22 are allowed.

The following is an examiner's statement of reasons for allowance: The independent claims all recite a combination of multiple step to track the condition of goods as they are transported from stage to stage of delivery. Trunik shows a system similar to the invention. However, the claims inter-relate the steps and provide specific limitations as to how to display the obtained data such that Trunik does not anticipate the invention, nor would it have been obvious to modify Trunik to meet the limitations.

Trunik is a NPL reference.

Kiyotaka is a foreign reference of interest.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication should be directed to MICHAEL CUFF at telephone number (571)272-6778.
